Hi Ed, thanks for the San Pedro MDP & ER (and also you are very welcome regarding the condolence card we sent). I just wanted to let you know that I will be on vacation next week, returning Monday April 3. For any correspondence regarding San Pedro and South Park that you would normally send to me, please send to Garen, with a CC to myself and Rick Scott. That way someone will be sure to read it and act if necessary.

Good morning,

I put together this timeline and hope we can meet all the milestones to get the District renewed on time.

Attached is another draft of the petition summary that will go along with the signature page and map. After you review the MDP and ER I would appreciate your looking this over too to give me final approval.

Best regards,

Hello all - attached please find the revised (v2.0) of the San Pedro BID renewal MDP and ER. Quite a bit of re-writing was done. I hope I caught all of your comments.

I apologize for the long delays getting these changes back to you - it was a rough few months.

Thank you for your kind assistance.
